

Truth, and Quality

appeal to the Well-Informed in every walk of life and are essential to permanent success and creditable standing. Accordingly, it is not claimed that Syrup of Figs and Elixir of Senna is the only remedy of known value, but one of many reasons why it is the best of personal and family laxatives is the fact that it cleanses, sweetens and relieves the internal organs on which it acts without any debilitating after effects and without having to increase the quantity from time to time.

It acts pleasantly and naturally and truly as a laxative, and its component parts are known to and approved by physicians, as it is free from all objectionable substances. To get its beneficial effects always purchase the genuine—manufactured by the California Fig Syrup Co., only, and for sale by all leading druggists.

REV. HENRY BLATZ HONORED.
Has Been Chosen Treasurer of the New York State Conference.

Rev. Henry Blatz, Jr., pastor of the Ansonia Methodist church, has been chosen treasurer of the Methodist New York State conference. The office, which is a most important and responsible one, came to Mr. Blatz unlooked for. The regulations provide that the treasurer must be a member of the conference. Mr. Blatz's predecessor in the office was Mr. J. H. Blatz, who held the place for twenty-five years and during that time handled over \$2,000,000.

PERFECT SKIN COMFORT

for Baby and others follows the use of Comfort Powder. Chafing, itching, rashes, skin irritations and soreness all disappear like magic under its influence.

Comfort Powder is a skillfully medicated Toilet Powder which is no more like ordinary Talcum Powders than cream is like skimmed milk. Being perfectly harmless to the most delicate skin and possessing unequalled healing and soothing power. For twenty years Comfort Powder has been considered the standard of perfection by thousands of New England physicians, nurses and mothers who use no other.

AT DRUG AND DEPARTMENT STORES.
Be sure you get "COMFORT" POWDER. Box with Baby's Head and Trained Nurse.

ACUTE INDIGESTION CAUSES SUDDEN DEATH

The Rapid Increase of This Dangerous Ailment Is Alarming.

Acute indigestion has caused the death of many a good man or woman that could have been saved, had the sufferer only been able to get prompt relief.

The formation of gas in the stomach is so rapid—and the pressure so strong on the pneumo-gastric nerve—that, unless relief is promptly given, it quickly stops the heart action, and death ensues, almost at once.

If taken in time—and an liberal quantity—Kodol will, in every case, stop the pain and remove the trouble, within a very few minutes. Kodol is the most perfect digestant and stomach corrector, known to medical science. By expelling the poisonous food lying in the stomach, Kodol at once stops the pressure on the heart, thereby removing the danger of Acute Indigestion.

Every tablespoonful of Kodol digests two and one-quarter pounds of food—any kind of food that a sensible man would eat. It is the only preparation that will do this, and it is the only one that every family should keep on hand. You never know when acute indigestion is going to come. It may come tonight, and may come tomorrow. A little Kodol, taken at the right time, may save the life of yourself, or some dear one.

Don't neglect your stomach. Don't allow your digestive organs to become weakened, and thereby become a likely victim to Acute Indigestion. Kodol is pleasant to take, perfectly harmless—and you can go to work and struggle and get a dollar and ten cents for your trouble, and still have your money without question or delay.

WHAT WESTERLY HEARS ABOUT FIRE

Ruin to Hope Valley Village Due to Careless Workmen with Lighted Pipes—Methodists Celebrate Pastor's Reappointment—Progress in Survey for Inland Waterway—16th Anniversary of St. Michael's T. A. and B. Society—Personals.

The fire at Hope Valley Tuesday, probably means the practical desertion of the village, as fully two-thirds of the inhabitants depended upon the Nichols & Langworthy plant for a livelihood. It was the oldest manufacturing plant in that section and the only one of special importance. Several years ago the plant was taken over by the New York Safety Steam Power company, the old firm name, the Nichols & Langworthy Machine company, being retained to designate the plant. Printing presses, steam engines and boilers were manufactured and the concern indirectly prospered, employing a large force of skilled workmen as well as laborers.

About three years ago Herman Dock of Westerly, inventor of the Dock engine, interested in the concern in the manufacture of his engines to fill contracts with the United States and Japanese governments, and the Dock Gas Engine company was incorporated. This added to the products of the concern and a new mill building was constructed for the manufacture of these engines. It was in this building where the fire originated, and it is alleged, was caused by careless workmen who were smoking their pipes in violation of the rules.

The Nichols & Langworthy company was the largest taxpayer in the town of Hopeville, and will therefore be a loss to the town as a whole as well as to the village of Hope Valley. It is understood that this business will not be resumed in the village.

There is said to be a complication in the ownership of the buildings that may result in a division of the insurance money, and that all interested will sustain heavy financial loss. It is probable, too, that the employees will share in the loss, as it is said that their wages for five weeks are due. Many of the employees own their own houses in Hope Valley and unless this industry is re-established they must dispose of their belongings at a sacrifice and seek employment elsewhere.

The parlor of Grace Methodist church were filled Tuesday evening to extend congratulations to Rev. E. F. Lusk, who has been returned as pastor by the Southern New England conference, and the large attendance testified to the good fellowship that exists between the church members and pastor.

There were short addresses of a congratulatory character and the pastor gave expression of appreciation of the good will manifested by Rev. Mr. Lusk. There has been an increase of seventy-five in the church membership, and the financial condition of the church was never better. Mr. Lusk has been faithful and impartial in his duties as pastor and has earned the respect not only of the church members, but of the people of Westerly generally. He announced at the reception, that an old friend, Bishop W. A. Quisley, one of the most brilliant preachers of the denomination, would preach in the church on Friday evening of the present week.

At the annual meeting of Calvary Baptist church, these officers and committees were elected: James M. Pendleton, moderator; Everett Barnes, clerk; Eugene B. Pendleton, treasurer; James M. Pendleton, Miss Clark, John B. Brown, John J. Kennedy, Eugene B. Pendleton, Everett Barnes, trustees; Cyrus H. Brown, Milo Clark, pulpits committee; Mrs. Mathias Wicklund, Mrs. John B. Brown, Mrs. Edwin A. Lewis, baptismal committee.

BRIEF STATE NEWS
Hartford.—The annual Cheney cup contest will be held in the First Infantry armory, Elm street, on April 21st to 23rd.

Middletown.—A new board of the Improved Order of Red Men, the Degree of Pochasah, will soon be started in this city.

Waterbury.—Waterbury temple, No. 14, Temple of Honor, was instituted Monday evening in G. A. R. hall with fourteen charter members.

Bridgeport.—A delegation of about fifty Elks went to Stamford Tuesday night to attend the installation of the officers of Stamford lodge.

New Britain.—At a meeting of the New Britain Camera club Tuesday evening slides of the California Camera club of San Francisco were shown.

Berlin.—At a meeting of the school board the present superintendent of schools, E. A. Parker, was appointed superintendent for the coming year.

Naugatuck.—William M. Ward, aged 84, died Tuesday after a brief illness. Mr. Ward was president of the savings bank and also the Naugatuck Water company.

North Canaan.—It is estimated that about 1,000 acres of land has already been burned over here since the fire that started on Rattlesnake mountain near here Sunday.

Wallingford.—Trolley Inspector Riley of the Derby line has been succeeded here by Inspector Hummel. Inspector Riley is now stationed in Derby and Ansonia.

Deep River.—Mr. and Mrs. John Brayer and two children left town this week for the west. They will go direct to Michigan from here, where Mr. Brayer expects to work on a farm.

Plainville.—Most of the factories are running on full time, with all hands at work, and the Edwin Hilla factory, where hardware specialties are produced, is working overtime every night.

Beacon Falls.—An anniversary celebration was held by Rock Rimmer grange of Beacon Falls Tuesday evening. There was work in the first degree and the lecture's hour was in charge of the past masters.

Book About F. Marion Crawford. The death of Francis Marion Crawford, the novelist, recalls his first appearance in a book, "Christ Life in Italy," written by Miss Watson, the governess of his sisters, who mentions the birth of the baby brother at the Baths of Lucca, where the family was spending the summer. The book is, with many others not now read, in the store room of the boys and girls' room of the Hartford free public library. After the death of Crawford's father, his mother married Luther Terry, an artist, born in England, in this state. One of his paintings, "Christ Disputing With the Doctors," is over the landing in the Athenaeum street staircase in the Athenaeum at Hartford.

SPRINGS A SURPRISE.

New Contestant for Suicide's Money Bobs Up in Waterbury.

Attorney John O'Neill appeared the other day in the probate court at Waterbury with William Ilsey of Nova Scotia, who is to fight for the possession of the \$30,000 estate left by the late William Wallace Ilsey, who committed suicide on February 1, after living in Waterbury for twenty years under the name of William Ilsey. Wallace, Attorney O'Neill has been retained by blood relatives of Mr. Ilsey, who claim that they are entitled to the estate.

William Ilsey, who is in Waterbury now, represents the brothers and sisters of Mr. Wallace-Ilsey, and the latter will fight to secure possession of the \$30,000 estate. It is their claim that the adoption of Miss Gladys Wallace, formerly Gladys Strong, was illegal, inasmuch as Mrs. Frank Strong, the mother, didn't sign the document in the probate court.

There are several complications in the case, and the Nova Scotia relatives of Mr. Wallace-Ilsey contend that Miss Gladys Wallace should not receive any of the estate, as she is no relation. Percy B. F. Wallace, step son of Mr. Wallace-Ilsey, who is administrator of the estate, will probably resign. An application was made to the probate court for the removal of Mr. Wallace as administrator. Mr. Ilsey's blood relations of Mr. Ilsey are to sit the matter and will even inquire into matter of Percy B. F. Wallace, concerning money and property which Mr. Wallace says Mr. Ilsey gave to him.

A BAD SUBJECT.

John Henry Jackson Sent to State Prison for Burglary.

Madison and Clinton folks are re-living to have John Henry Jackson, colored, a former local townsman, and to use the words of State Attorney Ailing, a "typical criminal man" type. The projected New Haven Thursday in the superior court, criminal side, to a maximum of twelve years in state prison. Jackson's case occupied practically all day in court and many witnesses were on hand from Madison and Clinton to tell how they knew him. He was before the court on three counts of burglary and the jury found him guilty on all three. On the first count Jackson was charged with stealing a photograph from the summer home of Mrs. Henrietta J. Peck in Madison, and was sentenced by Judge Gager to from two to four years in prison. The second count involved the stealing of several bags of hay and grain from the barn of Charles E. Sorantoni, also of Waterbury, and that count Jackson was given three years in prison. The third count had to do with stealing the same commodity from a storehouse of Mr. Scriven, for which Jackson was given another three years in Waterbury. This makes at least eight years.

Deafness Cannot be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. P. J. CHENEY & CO., Toledo, O. Sold by Druggists for Constipation.

"I'd Rather Die, Doctor, than have my feet cut off," said M. L. Bingham of Princeton, Ill., "but you'll die from gangrene (which had gone away eight toes) if you don't," said all doctors. Instead—he used Bucklen's Arnica Salve till wholly cured. It's cures of excruciating few sores, burns and piles, around the world. 21c at Lee & Osgood Co's.

People past middle life usually have some kidney or bladder disorder that saps the vitality, which is naturally lower in old age. Foley's Kidney Remedy corrects urinary troubles, stimulates the kidneys and restores strength and vigor. It cures uric acid troubles by strengthening the kidneys so they will strain out the uric acid, that settles in the muscles and joints, causing rheumatism. The Lee & Osgood Co.

Sold only in sealed lead packets to preserve its delicious flavor. Ask your grocer for "Salada" Tea. Trial pack 2c.

STOMACH-RITE

A medicine of quality, a remedy for indigestion, dyspepsia and allied troubles, that has proven its true worth; not an experiment. When you need medicine, why not get the best.

READ THE FOLLOWING LETTERS:

Dear Doctor's Daughter:— I had indigestion for 20 years. Suffered terribly most of the time and treated with a dozen different doctors, and used all the medicines I knew about, but nothing ever helped me until I used your Stomach-Rite tablets. I have used only one box of them, but can't say enough in praise of them. It is truly the most wonderful remedy on earth, and I honestly hope that all sufferers will use it and have the same results that I did. Truly yours with thanks, MRS. ANNA W. BARRETT, 43 Lynde St., Melrose, Mass.

Dear Doctor's Daughter:— I was troubled with gastric indigestion for three years, when I heard of your Stomach-Rite in Portsmouth, N. H. I have found it the best thing in the world. Nothing else I ever tried helped me one bit. Everyone should know just what your tablets do for stomach trouble. Yours, MRS. W. F. JORDAN, 360 Merrimack St., Manchester, N. H.

Dear Doctor's Daughter:— I am anxious to tell you what your Stomach-Rite tablets have done for me. I suffered with constipation and indigestion greatly, tried every other medicine, etc. for years, but I got no help whatever until I used your remedy. Sincerely, MRS. ARCHIE F. EASTMAN, 28 Clinton St., Woburn, Mass.

Dear Doctor's Daughter:— Since taking your Stomach-Rite my eldest son, thirteen years of age, is entirely cured of severe attacks of indigestion, and has changed from a sickly, delicate-looking young man to the picture of health. Long may you live. Yours gratefully, MRS. CHARLES R. CLARK, 643 Park Ave., Woonsocket, R. I.

Dear Doctor's Daughter:— I was troubled with indigestion for four years and was so bad that at times I could hardly breathe. I was in a most terrible condition. In fact, did not think there was any help for me. I had only taken one box of your Stomach-Rite tablets, and my trouble has all left me, and I am feeling fine. I want to tell you and also thank you for your grand remedy. MR. JOHN BURKMAN, 126 Shawmut Ave., Boston, Mass.

Dear Doctor's Daughter:— For three whole years I suffered with nervous indigestion, tried everything but got no help. Have now taken just three boxes of your Stomach-Rite and would recommend them to all as the most wonderful remedy for all forms of stomach trouble. MRS. ELKANOR WHITNEY, 67 Washington St., Whitman, Mass.

Dear Doctor's Daughter:— I want to recommend your Stomach-Rite to all sufferers of stomach trouble. Old, but I suffered with severe headaches, indigestion, and my food distressed me. I have taken only one box of your Stomach-Rite and it is really and truly wonderful. I can now enjoy all the food I eat, my headaches have all gone, and I want to thank you very much. Gratefully yours, F. H. HEWETT, 1485 Washington St., Boston, Mass.

But the best testimony for Stomach-Rite is Stomach-Rite. Insist on Stomach-Rite, and refuse worthless substitutes. Very truly yours, "DOCTOR'S DAUGHTER."

Sold and recommended by Broadway Pharmacy (Smith & Engler, Props.), Smith, The Druggist, and Burt's Pharmacy, Putnam.

and possibly twelve that the all-the-year-round and summer residents of Madison will miss him. Jackson had never been convicted of a crime, but State Attorney Ailing in reviewing his case, just before sentence was passed, said he was long overdue in state prison.

BILL WITHDRAWN.

No Prospect of Salary Increase for Norwich Court Officials.

The bill which was presented in the general assembly some time ago by Senator Joseph P. Silliman providing for an increase in the salaries of all the Norwich town court officials with the exception of the associate judge, which was to have come up for consideration before the committee in session at Hartford this week was withdrawn by Prosecuting Attorney Leo Davis. Within the last year, the prosecuting attorneys have taken over the duties of the liquor prosecutors and laws passed in the legislature have made the duties of the associate judge such that his present salary is entirely inadequate. So also have the duties of the associate judge increased. According to the new bill the judge's salary would have been made just twice that of the associate judge, which would bring it to the original basis. It is probable that a similar bill will be introduced some time in the future under more auspicious conditions.

An 'All-Rounder'. Champ Clark, leader of the house democrats, says that he has done all kinds of farm work, clerked in a country store, kept school, edited a newspaper, practiced law, and done about everything else, but never performed such extensive labor as that called for by his work on the tariff bill, as a member of the ways and means committee. He says he has no doubt that the work shortened the lives of those who drafted the bill. He means their physical lives. There are some signs of physical wear, but take also their political lives.—Waterbury American.

MISS M. C. ADLES, Hair, Scalp and Face Specialist

A DISTINGUISHED MARK.

A refined lady never neglects her hair. She does not load her head with just puffs, cheap switches or pampadours which everybody recognizes as false. If her hair is thin, she supplements it by natural, healthy, glossy, human hair. This is what Miss Adles uses.

DR. King's Restoration Method

What It Does for Toothless People

By means of this wonderful method we are able to give back to a patient the full set of teeth he or she started in with in the beginning. All we require is two or more teeth in each jaw to work from, and we shall not resort to plates or ordinary bridgework in the process of the work. Your mouth will be free from incumbrances.

Before we accomplish this result we put the gums and the natural teeth in a healthy condition, tightening the teeth which may be loose and curing pyorrhea if the patient is afflicted with that dreadful disease.

All of the teeth we supply are practical teeth; each set in its own socket following nature's plan, so that the strain is equally divided. One is able to bite on these teeth and there is exactly the same manner as he would his natural teeth. They match nature's teeth so closely as to be hardly distinguishable. They are beautiful to look at and a source of constant delight to the one who wears them.

A PAINLESS PROCESS

An impression has gone forth that there is some surgical operation connected with this method of restoring missing teeth. Some people have written in to know if we bore down into the bone and put the teeth in on pegs!

Others have an idea we set the new teeth into the sockets where the natural teeth were originally.

It is quite natural that some unthinking people would ask such questions, and in order that they may be fully answered we will state that there is no boring, no cutting, no implantation about this method, nothing about the work that is painful while it is being done or afterward.

Patients leave the office with these teeth in place and at once begin chewing meat, eating candy, tooth, or anything else with the same comfort they would enjoy if every tooth in their head had grown there.

If we couldn't promise this and make good on the promise, the Restoration Method would not be a success. It would be no better than ordinary bridgework or partial plates.

WE ARE GENERAL PRACTITIONERS

All Forms of Dentistry Treated by Experts.

While the Restoration Method is our great specialty, we are general dental practitioners as well. From the simplest filling to the most intricate piece of porcelain work, our experts are at the service of the public.

Naturally we would do such work well, much better than it could be done in a one-man office, for the operators employed here are all men of the very highest skill. They need to be to do the Restoration work. Beggars would not be tolerated in our office for a day, neither would dental students. We demand the finished craftsman, both at the operating chair and in the laboratory.
